

A 3D block diagram showing a system architecture. The top surface is a light gray rectangle labeled "Pantalla táctil". The front and side surfaces are dark blue. The bottom surface is white and contains two labels: "Giroscopio" and "Sistema de control (ESP8266)". Dashed lines connect the "Giroscopio" label to a point on the front-left edge of the bottom surface, and the "Sistema de control" label to a point on the front-right edge of the bottom surface.
